10 amp Yes/No

15 amp Yes/No

Limited generator sites available to friendly/quiet generator's Yes/No

PLEASE refer to the TFM information package for more information about sites and site fees.

### Sites for seasonal and irregular stall holders

TFM is aware of the importance of stalls being on a permanent/regular site for both stall holder and visitors. To avoid empty sites throughout the market, seasonal and irregular stalls holders are placed appropriately, however at times it is necessary to change a site placement. Should this occur, TFM makes every effort to ensure that the site change is minimal and as close to the seasonal/irregular stall holder permanent site.

### Produce/product

Please list your produce/product below.

This will allow us to ensure that we have an optimum balance of produce/product on offer to visitors. Therefore, you may be asked to omit some of your produce/product before your application is successful.
